

Notice to Customers

Madam/Dear Sir,

As we have started the journey as an amalgamated entity w.e.f 01st April 2020, our existing Current and Savings Account products will undergo certain changes. The products are harmonized to offer uniform features to the customers of all the three entities. All our patrons are hereby requested to take note of the following:

1. All the existing scheme/products of erstwhile Corporation Bank are mapped to new schemes in the amalgamated entity.
2. Customers can choose any of the harmonized products based on their eligibility and choice.
3. Existing account number will be continued even after migration to new scheme code.
4. The details on mapping from old scheme to new scheme as well as the features of newly introduced products are available in Bank website and in respective branches.
5. Accounts under old scheme codes ie, opened prior to 01 April 2020 will be migrated to the mapped harmonized product in a phased manner, if no request is received for migration.
6. Customers are requested to choose the scheme of their choice latest by 30th June 2020, thereafter all the accounts will be automatically migrated to the mapped product.

Please note that all the requests for migration to the new scheme of customers' choice should reach us before 30th June 2020, failing which it would be migrated to the mapped scheme.

Yours faithfully,

Branch Manager
